Summary

Motivated and enthusiastic Computer Science student with a passion for software development and a strong foundation in programming languages and algorithms. Committed to acquiring practical experience and enhancing technical skills in the field of software development. Seeking opportunities to apply theoretical knowledge and contribute to the growth and success of a software company. Possess a strong aptitude for problem-solving, collaboration, and an eagerness to learn and adapt to new technologies and frameworks.

SKILLS

- **Programming Languages:** Proficient in Java, C++, Python, and JavaScript
- **Web Development:** Familiar with HTML, CSS, and JavaScript frameworks such as React.js, express.js
- **Database Management:** Knowledge of SQL and experience working with relational databases
- **Algorithms and Data Structures:** Strong understanding of fundamental concepts and their practical implementation
- Strong analytical and problem-solving abilities.
- Communication and Teamwork
- Adaptability and Time Management
- Self-motivated and quick learner, with the ability to work effectively both independently and as part of a team.

Education

BS Computer Science

University of Management and Technology, Lahore

Currently enrolled in 7th semester with 3.45 CGPA.

October 2020 - September 2009

F.Sc Pre-engineering

Government graduate college, Muzaffargarh

Physics, Mathematics and Chemistry with approx 70% marks.

August 2017 - August 2019

Matriculation

Superior Science Higher Secondary School, Muzaffargarh

Matriculation with Physics, Biology , Mathematics and Chemistry with approx 80% marks.

August 2015 - August 2017

Interests

I have interests in Website development, Mobile Application Development and Engaging in personal coding projects to explore new technologies.

Academic Projects

1. **Student Management System (Mobile App development)**
2. **Personal Portfolio (WebSite)**
3. **Blogging Web Application (Website)**
4. **Card Scanner using RFID and RTC (Arduino)**
5. **Home Automation (Arduino)**
